

Seminars for Federal Employees

GRB offers a variety seminars for employees at any stage of their Federal career. The seminars are performed on-site and can be designed or tailored to meet any unique needs. Federal agencies will find these seminars invaluable for educating employees about their benefits and preparing employees for retirement.

Pre-Retirement Planning Seminars

The Planning for Retirement Seminar is designed for employees who are within approximately 5 years of retirement and the Mid-Career Retirement Planning Seminar is designed for those who are within approximately 10-15 years of retirement. Both seminars can be provided as 1 or 2-day sessions. The seminars can also be designed to focus on only CSRS/CSRS Offset employees or FERS employees and/or special group employees such as law enforcement, firefighter, air traffic controller, or Congressional employees. Participants are provided with a detailed understanding of the benefits they are entitled to under the Civil Service Retirement System (CSRS & CSRS Offset) and/or the Federal Employees Retirement System (FERS), Social Security, Medicare, Flexible Spending Accounts, Long Term Care Insurance, the Thrift Savings Plan (TSP) and the health and life insurance programs. In the 2-day seminar, financial planning topics are covered such as insurance planning, tax planning, investment planning, and estate planning.

Seminar for Separating Employees

This ½-day seminar, designed for employees who are separating from Federal service and are not eligible for retirement, provides a summary of the disposition of employee benefits and the options to continue, modify, or convert those benefits upon separation. Topics covered are leave, the Voluntary Separation Incentive Payment (VSIP), severance pay, CSRS and FERS benefits, Social Security, TSP, unemployment compensation, and the health and life insurance programs.

New Employee Benefits Orientation

This 1-day seminar, designed for new FERS employees, focuses on each employee benefit program (FERS, FEHB, FEGLI, TSP, Long Term Care Insurance, Flexible Spending Accounts, and Social Security) and explains how each program works and how to receive the maximum benefit from each program.
